Thank you very much. Our story has published: <http://www.wsj.com/articles/colorado-spill-shows-mountainous-task-of-cleaning-old-western-mines-1439587127>

But I'd still like the answers to those other questions whenever you can send them.

I hope you have a weekend at all, and I hope it's a good one!

Best,

Amy

Can you at least confirm the following sentence is correct? It is essential we confirm this as quickly as possible.

The money to fund the Gold King mine cleanup comes out of EPA's superfund budget, which is a little over \$1 billion.
